

**State Library of North Carolina
Career Enrichment Program Report Form
2008-2009**

As part of the evaluation process for this program, all recipients must complete an online survey approximately two months after the conference. Print this form and take to your conference. Jot notes about the sessions and workshops you attended to aide you in completing the after conference report.

Name:	
Conference attended:	Date:

Select 3-4 sessions you attended. What was the session about? How might you be able to use this information to benefit your library users? How will it help you in your job?

Session:	
Session:	
Session:	
Session:	

Are there programs or services that you might be able to implement in your library?

--

What unexpected benefits resulted from attending this conference?

--

This program is made available through funds appropriated from the General Assembly through the Department of Cultural Resources to the State Library of North Carolina. Comments provided may be used anonymously in reporting to various agencies.
