

# LearningExpress Library practice exercises

## Exercise I.

1. Go to [NCLive.org](http://NCLive.org)
2. From the Category list, choose an option that directs you to Learning Express. Follow link to Learning Express home page.
3. Register for an account
4. Write down your username and password (or print your confirmation)
5. Leave LearningExpress open (we'll come back to it a little later)
6. When task is completed, come back into the classroom and put a checkmark (✓) next to your name in participants list.

## Exercise II.

1. Choose a Practice Test from any Learning Center and add to "My Center"
2. Spend a few minutes exploring the test (leave Learning Express open):
3. Return to the classroom and report your findings:
  - which Learning Center and practice test did you choose
  - evaluate the test (i.e. did the content and language match the target age range; were the questions easy to follow; etc.)
  - any other comments on the test
4. When task is completed, put checkmark (✓) next to your name in the participants list.

## Exercise III.

1. Choose a Course from any Learning Center and add to "My Center"
2. Spend a few minutes exploring the course (leave Learning Express open)
3. Return to the classroom and report your findings:
4. Use chat to report your findings:
  - which Learning Center and course did you choose
  - evaluate the course (i.e. were the instructions clear; did the course topics adequately cover the subject matter; etc.)
  - any other comments on the course
5. When task is completed, put checkmark (✓) next to your name.
