NC Cardinal is a growing consortium of North Carolina public libraries with the goal of sharing resources and expanding opportunities through using a single online catalog. The State Library of North Carolina supports NC Cardinal by providing initial startup/migration funding for participating libraries to join the consortium. Hardware, software support, and training contracts are funded by the LSTA Grant. No matching funds are required.

As an incoming member library of the Consortium, we agree to participate in the NC Cardinal consortium and share our bibliographic and patron databases, participate in NC Cardinal consortium decision making and abide by consortium decisions, provide in-person services to all patrons of NC Cardinal libraries in the same manner as to our own patrons; and enable use of our library name in NC Cardinal official communications.

We acknowledge that we have been advised by the State Library to budget for a full year of ILS costs with our existing vendor to allow flexibility in the migration schedule.

The answers to the NC Cardinal Migration Application are complete and accurate to the best of my knowledge.
