**DESCRIPTIVE VIDEO SERVICE**

**MEMBERSHIP FORM**

**Welcome to the world of described videos. Our Descriptive Video Service (DVS) is made possible by the State Library of North Carolina, with support from the Friends of the North Carolina Accessible Books and Library Services. DVS movies have a voice describing actions, characteristics, and dress of the actors as well as details of the scenery or setting. This describing voice is on the soundtrack, during the time when there is no dialogue. These videos can be enjoyed by everyone in the family, both sighted and visually impaired. Our videos play on ordinary DVD players and televisions. The library does not loan nor repair video equipment. Please note that a sighted companion is necessary to enable the DVS audio track on each DVD via the DVD's on-screen menu.**

**There are currently more than 800 videos in the collection. As new ones are produced in the descriptive format, we will purchase them. The collection includes old favorite TV shows, documentaries, and many of the more recent blockbuster movies.**

**You must be a patron of the library to join the DVS club. All videos travel through the mail Free Matter for the Blind. Individuals may borrow one video title at a time; institutions may borrow up to three. The loan period is three weeks.**

**As soon as we receive your completed membership form, we will send you a complete catalog of DVS titles. You may use this catalog to order videos. The library staff does not make video selections for you. It is the responsibility of the DVS subscribers to ensure that a supply of requests is kept on file with the library. You may send your video requests by mail, or phone in up to twelve at a time on our toll-free line at 1-888-388-2460. You may send us as many requests as you like, but we cannot send the videos in any particular order or guarantee a specific time when they will be sent. Please order your videos by catalog number. As soon as we receive a returned video in the mail, we will send out another. Please**

remember that we will only send another video if you have requests on file, and if one of the requested titles is available.

As new titles are added to the collection, they will be listed in the library's quarterly newsletter, Tar Heel Talk. We expect to update the video catalog on a biannual basis depending on the number of new videos we acquire.

If you have any questions about the DVS program, call us at 1-888-388-2460. If you would like to subscribe to the Descriptive Video Service, please call us or complete the form below. Join the club today and start enjoying this wonderful service.
