

COPYRIGHT PERMISSIONS FORM FOR THE NORTH CAROLINA STATE PUBLICATIONS
CLEARINGHOUSE DIGITAL COLLECTIONS

I, _____, hereby certified that I have the authority to act on behalf of the copyright owners of the below titled state publication (the "Publication"), I have the authority and right to grant the permissions outlined herein for this Publication, and that such permissions will not infringe the rights of or my duty to any third party or violate any law. Therefore, I hereby grant non-exclusive rights and permission to the North Carolina State Publications Clearinghouse and any contractors working on behalf of the Clearinghouse to do any or all of the following:

1. Reproduce the Publication, as defined by [G.S. 125-11.8](#), in microfiche format, in electronic format, and/or any other format for purposes of reference, interlibrary loan, or preservation. I further allow libraries to which these reproductions are distributed to satisfy the informational needs of users in response to discrete inquiries by making a non-commercial reproduction of their copy; and
2. Store and include the Publication (or a copy thereof) in a publicly accessible digital repository as long as it is clearly noted that the Publication is copyrighted and that use for profit is not allowed. The Clearinghouse agrees to post with the Publication any restrictions stated on this form that pertain to the use of the Publication and encourages users to adhere to these restrictions.

This form is necessary to create reproductions of the publication in any format and to provide public digital access. A copy of this form will be kept on file by the State Publications Clearinghouse.

Furthermore, if the Publication comprises a series or serial, such as a journal or newsletter, these permissions are granted for all issues of this Publication that are sent to the State Publications Clearinghouse, unless otherwise stated.

TITLE OF STATE PUBLICATION: _____

SIGNATURE: _____

DATE: _____

Restrictions for use (PLEASE NOTE: If there is a restriction to use this Publication, the Clearinghouse will include the information. However, since the digital repository is publicly accessible and the Clearinghouse does not monitor use of the images, the Clearinghouse cannot guarantee that people using the site will adhere to restrictions posted).
