

What Do Computer Words Mean?

Sometimes a picture makes it easier to understand what words mean. Under each computer term, draw a picture that explains what it means.

If you don't know what a word means, pay attention to the class because it will be explained.

Example: Hardware	Software
Browser	URL or Web Address

Mouse and Trackpad	Cursor
Hover	Click, Double-Click, and Right-Click
Programs or Apps	Icons

Window	Click and Drag
Copy and Paste	Homescreen
